

# COUNTY ROAD 252 EXTENSION

## TRANSPORTATION ENGINEERING

### PROJECT DESCRIPTION

NFPS was selected by the Suwannee County Board of County Commissioners to provide engineering services for the resurfacing of 8.974 miles of existing roadway between the intersection of CR 252 at State Road 51 and CR 252 at CR 250 in Southern Suwannee County.

Major items of work for this project included clearing and grubbing, earthwork, base construction, milling and resurfacing the existing roadway, signing and pavement markings, addition of paved shoulders, and grassing and sodding of disturbed areas along the project. The FDOT for this Small County Road Assistance Program (SCRAP) funded project included design, construction and inspection.

### TOTAL CONTRACT FUNDING

The total contract amount for this FDOT SCRAP funded project including design, construction, and inspection was approximately:

**\$1,820,000**
