

# HAMILTON COUNTY SENIOR CENTER

## BUILDING/STRUCTURAL ENGINEERING

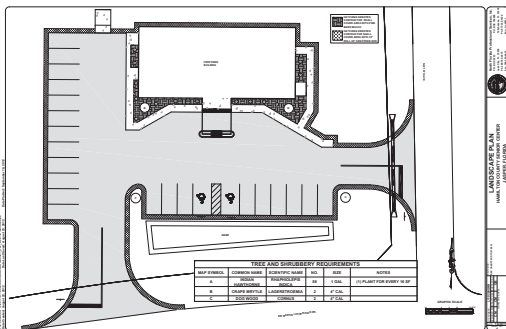

### PROJECT DESCRIPTION

NFPS was selected to perform the site planning, design, and permitting for the Hamilton County Senior Center located in Jasper, Florida, after it was destroyed by a structure fire in 2011. This building was a vital part of the community in Jasper, FL as it housed community based services available to residents in Hamilton County aged 60 and over with including but not limited to utility grants, meals, transportation, activities, and more.
