

# LOVE'S GAS MAIN UTILITIES ENGINEERING

## PROJECT DESCRIPTION

This economic development project was a joint project between the City of Jasper and Hamilton County. The City's portion of the project involved CDBG Economic Development funded installation of more than five (5) miles of 6-inch HPDE gas pipe, natural gas odorization system, and regulator station to facilitate the project for the US Hwy 129 and I-75 interchange location of Loves Truck Stop. NFPS provided planning services, design and permitting, Construction Engineering Inspection, and Management services for the main extension.

The County's portion involved FDOT required turn lanes on US Hwy 129 and a paved access roadway for ingress and egress to the Loves Truck Stop Site. NFPS completed the Office of Tourism, Trade, and Economic Development (OTTED) grant application and secured the \$250,000 in Rural Infrastructure Funds for the County's portion of the project.

## TOTAL CONTRACT FUNDING

The total contract amount for this CDBG and OTTED funded project including design, construction, and inspection was approximately:

**\$850,000**

## PERFORMANCE PERIOD

180 Calendar Days

### DAYS 1-30

- MOBILIZATION
- MAINTENANCE OF TRAFFIC
- DIRECTIONAL DRILLING MULTIPLE LOCATIONS

### DAYS 31-90

- GAS PIPE MARKERS
- CONCEALMENT ENCASUREMENTS
- VALVE COVER ASSEMBLY
- ODORIZATION SYSTEM INSTALL
- REGULAR STATION ASSEMBLY
- EROSION CONTROL

### DAYS 91-120

- TESTING
- BUILDING METER ASSEMBLY
- SOIL FILL

### DAYS 121-180

- SEEDING & SODDING
- MULCHING & LANDSCAPE
- FINAL GRANT CLOSEOUT DOCUMENTATION

## CLIENT REFERENCE

Hamilton County BOCC  
207 NE First Street  
Jasper FL 32052

Louie Goodin  
County Coordinator
