

## PROJECT DESCRIPTION

This FDOT Small Counties Outreach Program (SCOP) funded project consisted of reclaiming, widening, and resurfacing 10.01 miles of existing pavement from SR 51 east on CR 252 to SR 249/US 129. This project also consisted of constructing cross drains with end treatments, grassing all disturbed areas, and replacement of all signs within project limits.

NFPS engineers and CEI inspectors were able to provide quality services for this project on time and within budget for this critical access road for major farming industries and residents. Concentrating on citizen input and aesthetics as well as attention to cost eliminates objections and promotes public acceptance of major projects like CR 252. NFPS was responsible for both design and CEI.

NFPS staff assisted Suwannee County in securing a supplemental agreement, adding nearly \$2 million in additional funding to the project. This funding extended the County Road 252 Reclamation Project from the original US 129 to CR 349 limits to include an additional five (5) miles to conclude at SR 51. The funding also allowed for the paving of two (2) additional residential side roads which provided an added benefit to this rural farming community.

### TOTAL CONTRACT FUNDING

(approximately)

**\$3,260,437**

## COUNTY ROAD 252 CONSTRUCTION ENGINEERING INSPECTION (CEI)

### PERFORMANCE PERIOD

230 Calendar Days

#### DAYS 1-30

- MOBILIZATION
- MAINTENANCE OF TRAFFIC

#### DAYS 31-75

- PAVEMENT RECLAMATION
- LIMEROCK MATERIAL FOR BASE
- SEDIMENT BARRIER

#### DAYS 76-100

- CULVERT REPLACEMENT
- ASPHALT-PAVING OPERATIONS
- PERFORMANCE TURF SOD

#### DAYS 101-230

- SIGNS & PAVEMENT MARKINGS
- RUBLE STRIPS

### CLIENT REFERENCE

Suwannee County BOCC  
13150 80th Terrace  
Live Oak FL 32060

Debbie Vickers  
Administrative Assistant  
386-362-3992
