

## TRACTOR SUPPLY SITE PLANNING

### PROJECT DESCRIPTION

NFPS was selected to provide revision of the civil construction plans for this privately-funded 20,000 SF Tractor Supply Company store located in Live Oak. In addition to providing up-to-date site plans, NFPS assisted with required permitting and stormwater management planning through Suwannee River Water Management District (SRWMD), required planning applications through the City of Live Oak, and additional required permitting applications through the Florida Department of Transportation (FDOT).
